June 1, 2010

Dear Parents/Guardians,

The Bayonne School District's goal is the education of Bayonne's children. It is our expectations that students see the beauty and importance of mathematics.

These Mathematical projects and activities allow students to explore mathematics in exciting ways. Your child will be receiving a packet of math activities which he/she will complete over the summer months. All assignments must be presented to your child's math teacher no later than Monday, September 13, 2010 and will count as one test grade for the first marking period.

Make Math a part of your summer by looking for numbers and shapes on your walks and trips. Practice your basic facts daily!

As partners in your child's education, we request that you sign and return the form below to your child's current mathematics teacher no later than June 7, 2010.

Patricia L. McGeehan, Ed.D.
Superintendent of Schools

Ellen M. O'Connor, Ed.
Assistant Superintendent

Ann Marie Palmieri-Monahan
Director of Mathematics
