

***SOCIAL STUDIES
SUMMER READING
2010***

For all students entering grades 10, 11, or 12 in September, 2010

Over the course of the summer, you will be responsible for reading a total of ***eight*** newspaper articles/editorials. You must read one article and one editorial for each of the following areas:

1. The national government
2. World issues (terrorism, war, and environment)
3. New Jersey state/local government
4. Economics

Your assignment should reflect an article or an editorial for each of the four weeks of July and August. Create a nine-page flipbook to summarize your summer reading assignment. Be sure to carefully follow your FCA's.

FCA's

1. Each tab should contain name of article/editorial, the source, the author, and the date. **20 pts.**
2. Each top flap should contain a one-paragraph (4-6 sentences) summary of the article editorial. **40 pts.**
3. Each bottom flap should contain a one-paragraph (4-6 sentences) personal reaction to the article/editorial. **40 pts.**
