## **HOME INSTRUCTION REQUIREMENTS:**

### **Doctor's Note:**

**1)Diagnosis**

**2)Need for Home Instruction**

**3)Length of time to be on Home Instruction**

**Note:** Diagnosis must be very specific, and diagnosis must match the length of time. The doctor writing the note must be certified in the area in which the diagnosis is made.

In addition, if an extension is required the Doctor must, along with the diagnosis, **explain** why the extension is necessary for this student. This must be delivered to the school nurse **BEFORE** Home Instruction ends, **OR THERE WILL BE A BREAK IN SERVICES.**

**HOME INSTRUCTION is a service provided by your school district through the New Jersey Department of Education. The guidelines listed above are from the New Jersey Department of Education.**
