Helping Earthquake Victims

January 2010

Dear Parent/Guardian,

On January 12, 2010, a series of earthquakes with magnitudes ranging from 6.5 to 7.3 devastated Haiti.

I have been deeply touched by the concern and thoughts expressed by our administrators, teachers, staff members, students, and parents who have contacted me as to *"How can I help?"*

The Bayonne Board of Education, along with Mayor Mark Smith and the City of Bayonne, has organized a fundraising effort entitled, *"Bayonne Hearts for Haiti."* We will join recovery efforts mobilizing around the world to assist earthquake victims. Your donation will truly help disaster victims rebuild their lives and their communities.

I am asking each staff, parent, and child to participate in our Haiti relief efforts until the end of February. You can donate one dollar or any other monetary amount of your choice. All monies collected from each school will be given to the American Red Cross.

Thank you for taking the time to read this important message. I also want to personally thank you and your entire family for your concern and support. Together, we can demonstrate that Bayonne is truly a caring community, and we will make a difference!

Sincerely,

A handwritten signature in black ink that reads "Patricia L. McGeehan".
