Dear Parent/Guardian,

The Bayonne Board of Education is pleased to provide the BBOED Parent Portal communication tool. The Portal connects parents/guardians to students' data online, anytime, from anywhere there is Internet access. Once the Portal is accessed, information about only your child's progress can be viewed.

Making this information-rich connection with parents is a clear way to improve communication between teachers, parents and students. Access to the Parent Portal can be gained from home, work, public library, or anywhere an Internet connection can be established. The Parent Portal is a free service to our district families.

Sincerely,

Patricia L. McGeehan, Ed.D.

Patricia L. McGeehan, Ed.D.
Superintendent of Schools

Our student information system enables the Bayonne Board of Education to manage a wealth of information through our Parent Portal: be it daily attendance, schedule, standardized testing scores, activities, progress reports, report cards and teacher's web pages.

You have the ability to update your child's contact information, which helps the school district maintain accurate data.

PARENT PORTAL USE INSTRUCTIONS

- Connect to the portal via the internet
- Log in using the code, username and password found in the portal letter you receive from the school district
- Link multiple children in your family using the information from each child's portal letter
- Update your email and phone contact information
- Connect to teacher web pages for information about your child's classes
- View the lunch program menu
- View physicals required for participation in athletics
- Check the portal often for additional features which will be added in the coming months
- You have access 24 hours a day, seven days a week to the BBOED Parent Portal.
