

A Message from the Superintendent

June 20, 2008

Dear Parent/Guardian:

On June 23rd, the school year will come to an end marking the second full year of our **Mandatory School Uniform Policy** in our elementary schools.

We have listened to suggestions from school administrators, teachers, parents and students regarding our present policy and have responded to their recommended changes to improve the regulations.

Attached is a summary of the revised regulations for our elementary school policy. These new regulations will go into effect on the first day of the school year in September.

As in the past, all khaki pants, shorts and skorts may be purchased from the store of your choice. If your child will be wearing a sweatshirt or sweater to school this year, they will have to be either khaki or blue in color, and may be purchased at the store of your choice. Sweatshirts must be solid navy or khaki with no writing in front or back.

Once again, uniform shirts may be purchased at three vendors in Bayonne:

Have a happy, safe and healthy summer vacation.

Sincerely,

Patricia L. McGeehan, Ed.D.
Superintendent of Schools
