

**BAYONNE HIGH SCHOOL  
A HALLMARK OF EXCELLENCE**

Whether it is a familiar tune . . . Bayonne Goes Marching Down the Line, your favorite classmate, an inspiring teacher, the day you received your high school diploma, or any type of memory when you reminisce about Bayonne High, you must feel proud of being part of such a great high school...Bayonne High School.

The Bayonne High School Alexander X. O'Connor Auditorium is undergoing major improvements so that the Bayonne School District can provide on-going programs and activities for students, staff, and community in the 21st Century.

As part of the renovation, the district will replace the chairs in the auditorium and your help is needed!

If you purchase a chair, your name and graduation date from Bayonne High School can be placed on the engraved plate on the back of your donated chair. You can also purchase a chair as a tribute or in memory of someone special to you.

Chair donations are as follows:

The Garnet Chair \$300.00 (The Garnet Chair will be a chair in the first ten rows in the auditorium.)

The White Chair \$200.00

If you cannot purchase a chair at this time, you can make a donation instead to the Alexander X. O'Connor Auditorium Renovation Project.

Checks may be made payable to:
