Graduation Requirements

NJ Graduation Proficiency Assessment

Pathways Available

First Pathway

Students must take and demonstrate proficiency in grade 11 on the New Jersey Graduation Proficiency Assessment, which includes content aligned to the grade 10 New Jersey Student Learning Standards (NJSLS) in ELA, and the NJSLS in Algebra 1 and Geometry. If after completing the New Jersey Graduation Proficiency Assessment a student does not demonstrate proficiency on the ELA or mathematics section, the student may retake the New Jersey Graduation Proficiency Assessment in the following summer or fall.

A student with disabilities whose IEP states that they are not eligible for the alternate assessment (Dynamic Learning Maps) must take the New Jersey Graduation Proficiency Assessment in grade 11.

Table 4: First Pathway — New Jersey Graduation Proficiency Assessment

ELA	Mathematics
New Jersey Graduation Proficiency Assessment-ELA	New Jersey Graduation Proficiency Assessment-Mathematics

Second Pathway

Note: This pathway is only available to students who completed the New Jersey Graduation Proficiency Assessment in grade 11.

Students who sat for the New Jersey Graduation Proficiency Assessment in grade 11 and did not demonstrate proficiency are able to demonstrate proficiency in ELA and/or mathematics by meeting the designated cut score on one of the assessments on the menu of substitute competency tests in Table 5 on the next page.

COURSE OFFERINGS

Teacher Recommendation for Course Placement

Students course placement is determined by your content area teacher not your counselor.

Teachers make their determination based on:

- Mid-Year Grade (marking period 1 and 2)
- Marking Period 2 District Assessment
- IXL Diagnostic Assessment
- CogAT

Teachers also consider your:

- Ability to handle to content area material
- Work ethic
- Completion of classwork/homework assignments
- Ability to meet deadlines for submission of assignments

Course Differentiation

- **Level B**
 - College Preparatory Program
- **Honors**
 - Summer assignments and projects expected
 - Rigor of program is more advanced
- **Level A**
 - Pacing is faster than Level B
- **Advanced Placement (AP)**
 - College level course
 - Summer assignments and projects required
 - Curriculum is approved by College Board
 - Most rigorous program
 - Required to take AP Exams

Level Change Requests

Students should speak with their teacher PRIOR to requesting a Level Change.

Students request a Level Change by submitting a letter from a parent/guardian requesting a level change; letters must be brought to school counselors by **April 6**;

Director reviews the student's request as well as academic history and teacher placement. Directors make decisions by **April 19**;

If student's request for a level change is not granted, student may complete an Appeal Level Change Request.

- Completed form must be brought to school counselor by **April 24**;
- Students will be allowed to waive into the course without the approval of the teacher or Director;
- However, since the student did not meet the criteria for the course level and because they were advised that their requested placement was not appropriate, the student must remain in the course regardless of academic performance.
