Dear Bayonne Community:

As per N.J.A.C. 6A:8-4.3, the chief school administrators are to report the results of the annual assessments to local boards of education within 60 days of receipt of the finalized information from the New Jersey Department of Education (NJDOE).

Every Student Succeeds Act (ESSA) requires states to use a set of indicators to measure the performance of all schools. The indicators for academic progress, progress towards English language proficiency, and student success are required for accountability and also encompass, Dynamic Learning Maps (DLM Proficiency), Suite of WIDA assessments for English Language Learners (ELLs), New Jersey Student Learning Assessment (NJSLA), Start Strong and graduation rates.

Dennis C. Degnan, Ed.D, Assistant Superintendent of Curriculum and Instruction, Federal & State Programs, presented proficiency and growth of students via analysis and deliverance of the Fall 2022 Start Strong district-wide assessment data on December 20, 2022. Please view the attached data presentation.

Sincerely,

John J. Niesz, Superintendent of Schools
