Dear Parent or Guardian,

Each year, students in English learner programs take the ACCESS for ELLs language proficiency test. The test measures academic English language proficiency for students learning English in our school and throughout our state.

With this letter is an Individual Student Report. This report provides information about test results for your child. This information is for you to review and keep.

Teachers in our schools use this information to help them make decisions about instruction for your child. Teachers also use these test scores to monitor the progress your child makes toward English proficiency.

Please contact me if you have questions about the ACCESS for ELLs test.

Sincerely,

Dr. Wachera Ragland-Brown, Chief Academic Officer
