

Non-Residents

Non-residents who may work in the City of Bayonne or own a business here, must apply for a permit and can only park in their assigned parking Zone.

Pursuant to the authority provided in Chapter 17, Section 7-17 of the Revised General Ordinances of the City of Bayonne, the Mayor has determined certain residential areas within the City of Bayonne are impacted by commuter vehicles and accordingly, initiates the creation of the following residential permit parking areas to alleviate and restrict the unfavorable parking conditions outside flow of commuter traffic into said residential neighborhoods, thereby enhancing the quality of life by reducing noise, and alleviating traffic hazards and litter within these residential areas.

The affected areas include (click an area to view details):

Requirements for Parking Permits - Non-Residents

- Driver's license
- Registration (if car is leased, copy of insurance card is also needed)
- If registration bears a different name other than the person applying for the permit, a notarized letter from the bearer of the registration is required. Letter must give full permission to applicant for use of car and must contain entire vehicle information
- Fill out Section 1 with your information.
- Section 2 must be filled out by your employer and you must provide proof of employment (Payroll Stub)
- Fee of \$200.00 (Check, money order payable to Bayonne Parking Utility or online.)

Document Requirements and Parking Permit Application

Violations cost \$65 per infraction.
