

Student Quick Start Guide

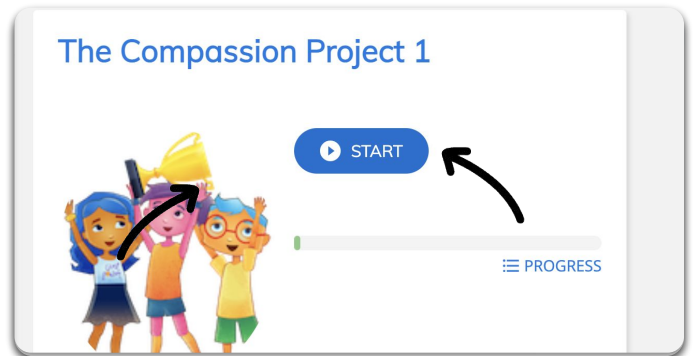

1 Select the EVERFI app on your Clever/Classlink homepage or district portal.

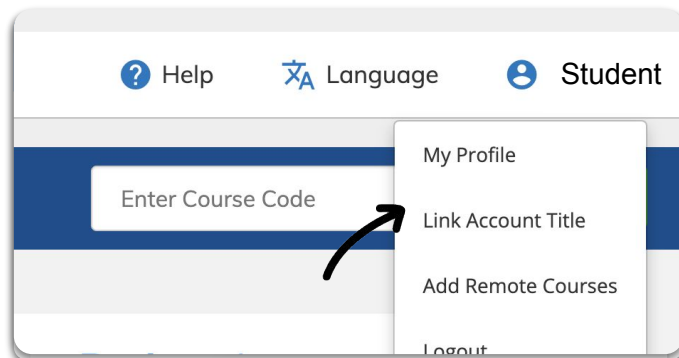

2 Select your age range from the dropdown & click Next.

3 Click Create Account to complete your setup.

4 Click Start on the course your teacher assigns.

5 Already have an EVERFI account? Link your accounts by clicking on your name in the top right corner and selecting Link

Next Steps

- Make sure your volume is on throughout the courses
- Log out at the end of class, then log back in next time and click continue

Have fun!
