Possible exposure to COVID-19

December 29, 2020

Dear Bayonne Student Athlete Parent/Guardian/Employee,

We are informing you that one of our security/reception aids in our high school building recently tested positive for COVID-19. If you or your student/athlete was in the high school building on December 28th or 29th and are experiencing any symptoms, it is suggested you get tested for COVID-19. We are conducting contact tracing and those impacted will be contacted.

During our winter break there were a few winter student/athletes and coaches in the high school for individual winter sports training. We are completing contact tracing however, as a precaution we are sending this notification out as well.

We have advised our Chief Medical Examiner, Board of Health and Administration of this situation. The building will be thoroughly sanitized and cleaned. All winter sports have been stopped and will resume when deemed safe to continue. Please stay healthy and safe!

Please review the below link for specific information about COVID-19

<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

If you have any questions please contact your head coach or Athletic Director Dr. Pierson
mpiereson@bboed.org

Sincerely,

John J. Niesz
Superintendent of Schools
