March 20, 2020

Dear Bayonne Community,

The Bayonne School District will continue virtual learning until at least April 20, 2020. The COVID-19 pandemic will impact when we anticipate opening our schools and resume normal operations.

We will continue to keep our community informed during this next cycle of school closings. Please keep our health professionals, Health Department, Office of Emergency Management, first responders, school faculty, staff, administration, Board of Education, Mayor and elected officials in your thoughts as they work on the front lines of this pandemic.

The Bayonne School District will continue to remain on a virtual learning platform until April 20, 2020. However, during this time we will close virtual instruction (school) for our regularly scheduled spring break and we will use our four (4) snow days as well.

School Schedule

Virtual Learning continues until 4/20/20*
