To the Bayonne Public School Community,

As part of our continuing effort to evaluate our learning plan, it has been determined that all learning will be remote until Wednesday, November 4, 2020 – the end of the 1st Marking Period.

Although virtual learning can be frustrating for students and staff, our ultimate goal is the health and safety of all members of our community while continuing to provide a thorough education for all.

We will continue to evaluate the data surrounding COVID-19 and will strive to keep parents, students and staff up to date as plans evolve.

Please remember to check your email and the BBOED website each day for any updates in the situation.

Sincerely,

John Niesz
Superintendent
