Community Update on School Closings

May 4, 2020

Dear Bayonne Community,

Governor Murphy has announced today that all schools in the state of New Jersey will remain closed through the end of the school year and we shall remain closed to students as long as the executive orders remain in effect.

Although we are closed, we will continue virtual learning until the end of the school year.

Next week we will be sending out additional information concerning how the Bayonne school district will continue to learn in the virtual world. We will also explore options for graduations while in compliance with Governor Murphy’s Executive Order.

We also realize that many of our students may have personal property in the buildings – which we will make mutual arrangements to retrieve the items at a later date.

Although this is an unprecedented event, we will get through it as a family. Our thoughts and prayers are with all of you during this pandemic.

Please be on the lookout next week for an update from my office.

Sincerely,

John J. Niesz
Superintendent

**Reminder** - Online Pre-K Registration begins May 6th. Please see our website for more details and to register
