Dear Bayonne Parent / Family,

The Panorama survey originally scheduled for December 5 – 16 has been adjusted. The new survey window is **December 19 – 22**.

This survey will be administered online through your child's school, and will ask students questions related to their social-emotional skills and well-being, including positive and challenging feelings, emotion regulation, learning strategies, self-efficacy, self-management and supportive relationships. We will use the information we receive to guide conversations and plan support for students, and to guide the work that we do at the school and District level. We plan to administer the survey again in the spring, to continuously monitor the well-being of our students. Please encourage your child to respond with complete honesty.

The survey is **voluntary**, and students should feel free to skip any question or they can choose **not** to complete the survey.

If you do not want your child to complete the survey, you may **Opt Out by Thursday, December 15th** by completing the [Opt Out Google Form](#), or by emailing or calling your child's school counselor or principal.

Please note, if you previously Opted Out of the survey, you do not need to opt out again.

If you have questions about the survey, please contact your child's principal.

Thank you,
