GRADUATION UPDATE

May 13, 2020

Dear BBOED Families,

Due to the nature of the pandemic, Governor Murphy has updated his rules regarding graduation scenarios again today.

The Governor stated, “The class of 2020 can have vehicle-based graduation ceremonies amid the coronavirus pandemic, but everyone needs to remain in cars with the windows rolled up.”

But this clarification on gathering involving vehicles comes with some restrictions. Windows and sunroofs need to be closed if vehicles are within six feet of one another.

Again, this announcement is as of today…. so I will continue to keep you updated as things continue to evolve. We are all hoping that we will be able to give our outstanding graduates and their families a wonderful celebration.

Be smart & Be safe.

Regards,

John J. Niesz
