Winter snow storm / COVID-19 update

February 17, 2021

Dear Bayonne Community Parents/Guardians,

Please be advised that due to the impending snowstorms(s) we will continue to operate on a virtual remote leaning platform. In short, we will not take another snow day since we have taken two already (unless there is a dire unforeseen circumstance - which is not presently forecasted).

Mary J. Donohue School is presently closed due to a recent COVID-19 positive in maintenance/custodians - we will continue food service since it is outdoors.

We continue to struggle with our high school sports in Hudson County currently several basketball teams in the county are currently stopped due to COVID-19. Winter basketball playoffs may be canceled by the county and our district has not had a week in which all of our winter athletic teams did not shut down due to COVID-19.

We will continue to provide updates on our return to in -person instruction plan, and we will share a letter that we are sending to Governor Murphy in our effort to return to in-person instruction this year.

Please be well and be safe.

Sincerely,

John J. Niesz
Superintendent
