June 24, 2021

Dear Bayonne School Community,

Welcome to summer 2021. On behalf of the Bayonne School District we wish everyone a safe and wonderful summer. Our virtual learning environment will end in September 2021 for all students.

We will be back to normal operations and welcome back students on September 8, 2021. We 100% intend on opening full time and have all operations back to normal school days with before and after care available also. All students will be back in our regular school uniforms as well for full days of school.

We still await specific guidance on face masks, social distancing, and other safety measures that have been in place in schools during school year 2020-2021. We will advise our community in future communications over the summer as we learn from the Department of Education what/if any steps we need to take.

Enjoy the summer vacation it is well deserved for everyone and we look forward to seeing everyone back full time in September.

Enjoy the summer,

John J. Niesz  
Superintendent of Schools
