The Pre K3 program will be a six-hour program. Please visit the providers' sites for school hours, Monday-Friday.

### Does attendance count in Pre-K?

Attendance counts and matters in Pre-K! Students are expected to attend school daily, unless they are ill. It is recommended that a doctor's note accompany their return if applicable. NJDOE defines Chronic Absenteeism as being absent 10% of the total expected days of school. This equals 18 days of instruction lost. **If a child is absent for more than 10 consecutive school days, your child will be removed from the program's enrollment.**

### What is the Pre-K curriculum?

The Bayonne School District and its partners use the High Scope Preschool Curriculum, which is based on the principles of active learning and support of a child's positive interactions with adults and peers. Our Preschool Curriculum is a comprehensive model that addresses all areas of development through eight content areas and 58 key developmental indicators (KDIs) — the skills and behaviors at each stage of development that pave the way for school and adult success. Each KDI is connected to and reinforced by scaffolding strategies to support and gently extend children's learning.

**What is rest time?**

In a full day program, 3 and 4 year-olds, by law, must have a 40 Minute Rest Time in the daily schedule.

**Does my child eat meals in school?**

Students remain in their classroom for all meal times with a teacher. Students may bring breakfast and lunch to school or utilize our school meal programs.

**Will transportation be provided for students in the Full Day Pre-K Program?**

No. Transportation will not be provided to the students in the program, unless indicated on the child's IEP.
