Dear Parent or Guardian:

On Thursday, September 30th, 2021, Bayonne High School will hold its annual Back to School Night. Welcome!

Back to School Night is a program that will allow you follow an abbreviated form of your child's schedule. You will get to meet their teachers and be told the course and classroom expectations. Attached are the instructions for you to log onto your child's classes through Schoology. Also attached is the schedule for the evening.

As a friendly reminder, the evening is not about, "How is my child doing?" The program is about the teacher sharing information with Parents and Guardians so that they are aware of all the necessary requirements to be successful in their classes.

I urge you to take advantage of this opportunity. Hopefully in the near future our interactions can be in person. Any questions or concerns feel free to call the main office at Bayonne High School, 201.858.5900

A handwritten signature in black ink that reads "Baccarella".

Directions for logging into Schoology for Back to School Night:

- 1) Please log into Schoology as your child at **bboed.schoology.com** to access Homeroom and Periods 1 – 8. Live virtual meetings will take place during the schedule provided.
- 2) After logging in, please click on the **Homeroom** tile and access the link to a Google Meet, or click on **Conferences** on the dashboard on the left within the course (screenshot attached). Each period will be 6 minutes.
 - a) Please discuss which platform the teachers are using with your child prior to Back To School Night
- 3) After Homeroom, please go back to **Courses** (top left, next to the Bayonne Public Schools logo, screenshot attached) and click on the **Period 1** tile and follow the directions to access the meeting with either a Google Meet link or by clicking on Conferences within the course.
 - a) You will repeat this for each of your child's courses, Homeroom through Period 7

It should be noted that to log in as another child, parents will need to log out of one child and log back in as another child, or use an alternate browser or device to be logged in as more than one student.
