SCHOOL VISITORS

9150 SCHOOL VISITORS

The Board welcomes and encourages visits to school by parents or legal guardians, other adult residents of the community, and interested educators. In order for the educational program to continue undisturbed when visitors are present and to prevent the intrusion of disruptive persons into the schools, the Board directs the enforcement of rules governing school visits. The Superintendent and building principal each possess the authority to prohibit the entry of any person into a school of this district or to expel any person from the school when there is reason to believe the presence of such person would be inimical to the good order of the school. If such a person refuses to leave the school grounds or creates a disturbance, the principal is authorized to request from the local law enforcement agency whatever assistance is required to remove the individual.

Visitors shall be required to register their presence in the school. No staff member shall transact business with or permit the continuing presence in the school of a visitor who has not been duly registered.

During school hours visitors shall be required to comply with all school policies and regulations, including the regulation prohibiting the use of tobacco products on school grounds, as outline in Policy 7434.

No visitor may confer with a student in school without the approval of the principal; any such conference may take place only in the presence of a teaching staff member and/or administrator.

The Superintendent shall develop regulations that will protect pupils and employees of the district from disruption to the educational program and the efficient conduct of their assigned tasks.
