Chief of Police

Public Safety Announcement

School Zone Safety

With the assistance of the Bayonne Board of Education the Bayonne Police Traffic Enforcement Unit is taking this time to remind those dropping off or picking up children of the need to ensure the Public Right-of-Way is kept clear, especially around our schools.

Accessible and unobstructed streets, sidewalk and driveways are imperative, not only for our Emergency Services to respond to calls for service, but also allows our residents to move about the area safely and freely.

This awareness and education campaign is being conducted in the hope that future enforcement action will not be necessary. We direct your attention to the following violations-

The improper discharge or pickup of passengers

A vehicle left running unattended

Blocked Driveways

Double Parking

KEEP FIRE HYDRANTS CLEAR

With the inclement and severe weather of winter now here please be reminded of the need to remove snow and ice from your vehicle **COMPLETELY** before operation.

We understand parking is at a premium during school entry and dismissal times, but with everyone's assistance we can avoid the unwelcome step of issuing summons and impounding vehicles.

Thank you for your assistance

Bayonne Police Traffic Unit
