From the Principal's Office

As we enter the month of May, we take time to honor and reflect on the meaning of Memorial Day. This national holiday, observed on Monday, May 26, 2025, is a moment for all of us to remember and pay tribute to the brave men and women who gave their lives while serving in the United States Armed Forces.

The majority of NJSLA testing will take place throughout the month of May (please refer to the school calendar for specific dates and grades). These important assessments help us understand how students are progressing and allow us to better support their academic growth.

NJSLA Testing Tips for Families:

1. Get a Good Night's Sleep: Rest is key for focus and clear thinking.
2. Eat a Healthy Breakfast: Nutritious foods help students stay energized and alert.
3. Arrive on Time: Starting the day calmly and on schedule sets a positive tone.

A note from the Guidance Counselors

May is Mental Health Awareness Month! Take time each day to check in with yourself. A simple deep breath, a short walk, or writing down one thing you're grateful for can boost your mood and strengthen your mental well-being.
