democracy, limited government, equality under the law and of opportunity, justice, and property rights.

Fundamental rights are derived from the inherent worth of each individual and include civil, political, social, economic, and cultural rights.

Social and political systems have protected and denied human rights (to varying degrees) throughout time.

Historical contexts and events shaped and continue to shape people's perspectives.

Political, economic, intellectual, social and cultural circumstances and ideas both change and stay the same over time.

Examining historical sources may answer questions but may also lead to more questions.

Fundamental rights are derived from the inherent worth of each individual and include civil, of governmental and nongovernmental contexts. 6.1.8.CivicsPI.3.d: Use data and otherevidence to determine the extent to which demographics influenced the debate on representation in Congress and federalism by examining the New Jersey and Virginia plans. 6.1.8.CivicsPD.3.a: Cite evidence to determine the role that compromise played in the creation and adoption of the Constitution and Bill of Rights. 6.1.8.CivicsDP.3.a:Use primary and secondary sources to assess whether or not the ideals found in the Declaration of Independence were fulfilled for women, African Americans, and Native Americans during this time period. 6.1.8.CivicsHR.3.a: Explain how and why constitutional civil liberties were impacted by acts of government during the Early Republic (i.e., Alien and Sedition Acts). 6.1.8.CivicsHR.3.b: Evaluate the impact of the institution of slavery on the political and economic expansion of the United States. 6.1.8.CivicsHR.3.c: Construct an argument to explain how the
