**Open House**

**November 2018**

**Bayonne Board of Education**

**669 Avenue A**

**Bayonne, New Jersey 07002**

**November 2018**

**Dear Parent/Guardian,**

**The 2018 Bayonne School District Open House will begin at 6:00 pm and dates are as follows:**

**November 26, 2018**

**Nicholas Oresko**

**November 27, 2018**

**All Other Elementary Schools**

**November 29, 2018**

**Bayonne High School**

**Please follow the directions given to you by your building principal.**

**The purpose of Open House is to provide a time for parents/guardians to meet with the administration and teachers to review expectations. You will also have the opportunity to learn more about your child's progress.**

**Our exemplary team of educators will share strategies you can implement at home to help your child meet learning goals. As the educational leader of the Bayonne Public School System, I urge you to attend your child's Open House.**

**Also, remember that it is extremely important that your child attends school regularly. Attendance is important because students are more likely to succeed in academics when they attend school consistently. It's difficult for your child to build their skills and progress if they are frequently absent.**

**Another important component to the educational process is completion of homework assignments. Homework activities allow you as parents to have an active role in your child's education. It encourages students to take initiative and responsibility for completing a task. It also teaches students to develop self-discipline while preparing them for upcoming class topics.**

**As I mentioned previously, striving for excellence has been, and will continue to be, our goal. As your educational leader I will work hard to develop a solid base upon which our students will continue to grow and improve throughout their lives.**

**Sincerely,**

**Dr. Michael A. Wanko  
Interim Superintendent**
