Family Partners of Hudson County

**Family Partners**  
of Hudson County

*The Family Partners of Hudson County is a family-run organization committed to providing effective and customized support to families, caregivers and providers of children with emotional, mental and behavioral needs. Our mission is to Support, Educate and Advocate for families to become leading voices in the planning and coordination of their individual services. Through the provision of resources, a family-friendly environment and experience in navigating the “system,” our vision is to help strengthen families and our community.*
