April, 2019 (revised)

Do your best on the test!

Dear Parent/Guardian,

This letter is to inform you of the schedule for the upcoming New Jersey Student Learning Assessment (NJSLA) which will be administered to your child.

The NJSLA is designed to provide evidence about student learning. The data collected will help to provide a clear and well-rounded picture of student achievement.

Students in grades 3, 4, and 5 will begin testing on April 8th and grades 6, 7, and 8 begin on April 30, 2019.

The Bayonne School District is asking that your child utilize personal headphones if possible during the testing window for their grade level. The headphones should be placed in a zip-lock bag clearly labeled with their name. Please keep in mind that our chromebooks only support headphones that have a 3.5 mm 1/8 inch stereo mini-plug. Bluetooth or iPhone 8 (or higher) will not work with the chromebooks. If your child does not own headphones or has a pair that is not compatible, the District will have headphones available at all elementary schools.

Students can bring nutritional snacks to school on test days. Also, students will have no homework on days they are sitting for the tests.

With the collaboration of administrators, teachers, students, and parents, our children will achieve more. Parents, be sure to encourage your child to do their best! I am confident that they are not only ready to participate, but also succeed on this State level assessment.

Sincerely,
