June 2019

Dear Bayonne Public School Family,

For the 2019-2020 School Year, the Bayonne Board of Education has created a calendar that allows for four (4) emergency closing days (e.g. snow days).

If weather works in our favor and we do not have any emergency school closings, we will have four no-school days to build back into the calendar. These “give-back” days will be as follows: May 22, 2020, May 26, 2020, April 20, 2020, and June 5, 2020 and there will be no school on these days.

To further explain, if we use:

- NO snow days - school will be closed May 22, May 26, April 20, and June 5
- One snow day - school will be closed May 22, May 26, and April 20
- Two snow days - school will be closed May 22 and 26
- Three snow days – school will be closed May 22.

With this new system, if school closings are required throughout the year, then we will use these “give-back” days to make up for instructional time lost allowing for the final day of school to remain Thursday, June 25, 2020. However, please note, if we exceed the four days, additional school days may need to be added to the end of the school year.

If you have any further questions, please speak to your child(ren)’s principal or teacher.

Sincerely,

Michael A. Wanko, Ph.D.
Interim Superintendent of Schools
