Dear Families,

Greetings, my name is John J. Niesz and I am the new Superintendent of the City of Bayonne's school district. I am excited and humbled to have been appointed as the Superintendent of Schools. The City of Bayonne schools are a focal point of our community and our mission will continue to provide a high quality education that is rigorous with high expectations for all diverse learners.

We want our students to be engaged and excited in a fun learning environment. Education is an opportunity to educate the whole child, developing social and emotional learning. In the short time since my appointment I have met many wonderful people and organizations. I look forward to working with our community as we create a unified approach to academic excellence.

I look forward in the coming months to meet with our community members and all of our students. The opportunity before me is wonderful and I look forward to working with all our community stakeholders to provide our children with a great education.

Thank you again to the Board of Education for selecting me, and I am thrilled to be a part of the Bayonne community!

Sincerely,

John J. Niesz
Superintendent
