Dear Bayonne Parent/ Guardian,

During virtual, synchronous instruction, live-streaming lessons and/or live student group discussions may be utilized by the district's teaching staff. In doing so, the district will make every effort to protect the privacy of all students and faculty/staff who participate in synchronous learning.

*In order to protect both student and staff privacy, parents, caregivers and students are **strictly prohibited** from filming, recording or in any way disseminating livestream lessons or portions thereof. Should a parent, caregiver and/or student violate this protocol, the District reserves the unilateral right to discontinue a student's participation in livestream lessons.*

If you have any questions, comments or concerns do not hesitate to contact your building principal. As always, the safety of our students is our number one priority.

Sincerely,

John J. Niesz
Superintendent of Schools
