October 27, 2020

To the Bayonne Public School Community,

The Bayonne School District continues to evaluate the COVID-19 pandemic and the health and safety of our community of learners. As part of our continuing effort to reevaluate our educational plan, it has been determined that **all learning will continue virtually until at least Tuesday, December 1, 2020.**

Our decision mirrors the decision by other districts to remain all-remote learning amid rising coronavirus cases. Some school districts where in-person classes have resumed have already decided to switch to all-remote learning. All of these factors together with our continued installation of air mitigation systems were considered in the recommendation and decision.

We will continue to evaluate the data surrounding COVID-19 and will strive to keep parents, students and staff up to date as our plans evolve. Please remember to check your email and the BBOED website each day for any updates.

Bee safe,

Sincerely,

John J. Niesz
Superintendent
