Dear Bayonne Community,

The Bayonne School District will continue virtual learning until at least the end of March 2021. The COVID-19 pandemic, the availability of vaccines, and preparation of buildings will impact when we open our schools and resume normal operations.

Currently we have two buildings closed due to COVID-19 spread between staff even with the very limited number of people in the schools. Although we can all see the light at the end of the tunnel, we are not there yet.

We continue to monitor the situation and as we adjust the timeline, we will notify you as soon as possible. Our biggest concern is the opening of our school buildings as soon as it is safe for all.

Be well everyone,

John J. Niesz
Superintendent
