Dear Parents/Guardians of Students Entering Grade 9 in September 2021,

This summer, your child will continue to build a strong foundation in English Language Arts using IXL. Ten IXL skills in your child's new grade level have been selected. **For every assigned skill that your child earns a minimum SmartScore of 80 OR has attempted at least 25 questions, your child will earn one point.**

In order to receive credit, students must turn it into their teacher no later than September 22, 2021.

The following Grade 9 skills have been assigned:

1. A.1 - Determine the main idea of a passage
2. C.4- Interpret figures of speech
3. G.2 - Identify thesis statements
4. H.6 - Choose the analysis the logically connects the evidence to the claim
5. P.3- Use words as clues to the meaning of Greek and Latin roots
6. U.3- Use context to identify the meaning of a word
7. W.2- Identify sentence fragments
8. X.5- Is the sentence a simple, compound, complex, or compound-complex?
9. HH.3- Commas with compound and complex sentences

You can access these skills at <https://www.ixl.com/ela/grade-9>

Your child can continue to use their current IXL login credentials. If you are unsure of these credentials, please contact your child's Language Arts teacher.

Please make sure your child is logged in before he or she starts to work. Otherwise, his or her progress will not be saved nor will his or her new teacher be able to view it in September.
