Dear Bayonne Community Member,

We are extremely proud to announce our Bayonne City School District has been declared by the New Jersey Department of Education as one of the **HIGH PERFORMING** school districts in New Jersey.

Pursuant to the requirements of N.J.A.C. 6A:30, the Bayonne School District has undergone the New Jersey Quality Single Accountability Continuum (NJQSAC) review. The Hudson County Executive County Superintendent and team conducted a review of the school district's self-assessment on the District Performance Review (DPR) document to verify the school district's compliance with all five areas of NJQSAC. Based on that review, the school district has been placed on a continuum in the five NJQSAC areas which are, Instruction and Program, Fiscal Management, Governance, Operations and Personnel.

We are pleased to inform you that our district has satisfied at least 80% of the weighted indicators in each of the five areas of the NJQSAC review process and has been designated as **"high performing."**

We thank all of you for your commitment to our efforts to provide all of our children in Bayonne with an amazing education. This acknowledgement by the New Jersey Department of Education is a testament to all of our teachers, support staff, administrators and our Board of Education members. With the commitment from our Board of Education we are able to offer a great education for all of our learners.

On behalf of Board of Education President Jodi Casais and our Board of Education members, congratulations Bayonne.

Very truly yours,

John Niesz
Superintendent
